## Full Stack Developer

Full stack developer skilled in Javascript, React, Flutter, Dart, Python, HTML and CSS. Coming from a background in hospitality, I've built solid proficiencies in communication, troubleshooting and attention to detail. Understanding the needs of individual users, I take a creative approach to problem solving and build scalable, user-friendly solutions for everyone. My eagerness to learn fuels my drive to work towards creating advanced technological solutions to improve our everyday lives.

## Technical Skills

Flutter, Dart, HTML, CSS, React, Javascript, JQuery, Sass, Bootstrap, Materialize, Semantic-UI-React, Python, Django, Express, SQL, Sequelize, MongoDB, Mongoose, Express EJS Layouts, Typescript
